Respectfully sheweth - That the bridge
of boats having been thoroughly com-
pleted the petitioners hope that the
forces arrived from Bareilly & Co and lying
on the off-side of the river may be al-
lowed to cross over during the night; be-
cause ~~that it - that they may not be ex-~~
~~posed~~ during the day the shot and
shells of the Goras (literally the whites
- the English) continue falling; that
is that they may not be exposed to the
fire of shot and shell kept ^{up} by the English
during the day
