Petition of Mirza Nozul written date.

To The King - Guide of the world! may his  
prosperity continue -

199  
299

Respectfully sheweth to your August highness!  
That your Majesty had directed me to pay 200  
Rupers to be expended on repairs to the bridge -  
whereas already the daily hire of the laborers is  
paid every evening. There is no necessity ac-  
cordingly for the payment of this 200 Rupers. -  
There is no contractor on account of the bridge  
that this money should be given. The hire of  
the laborers is distributed to them daily; and now  
too it will be paid to them daily every evening. -  
It ~~was~~ necessary and I have therefore submitted it.  
(Prayer for the everlasting glory of the King's  
dynasty and reign) Petition of the Slave Mirza  
Lahurooddeen - No date. -

Autograph order by the King in pencil. -

ments.
