

INDIA.

The overland mail from Bombay with advices to Nov. 11th has arrived.

The Governor-General has made a triumphant entry into Lucknow, and decorated all the princes and higher nobles of Oude. At a grand durbar the Governor-General addressed the assembled landholders of Oude. He announced a new policy to them. In effect the Oude proclamation and our entire policy since the annexation are flung to the winds altogether. The aristocrats are restored to their estates en masse, and granted a perpetual settlement. The effect anticipated is that rebellion in Oude will be henceforth impossible.

The Bombay Times says, in Central India a campaign is about to open in Neemuch against a body of rebels, said to be 5,000 strong. In Bundelcund, where Feroze Shah and a body of rebels are still hiding, the campaign has been already opened. Commercial news anticipated.
