

TOWN TALK.

OUR LONDON CORRESPONDENT.

Mr. Gladstone had a severe cold... a complaint in ordinary cases to be treated with great mild mustard plasters...

There has been nothing like this awful... since the Duke of Wellington strung the neck of all the secretaries of state on his wall...

What say talent and money don't reward in England?

The few whom we all waited for—the son of the fifty-acre farmer, the itinerant coal merchant, working cotton-spinner...

Mr. Cobden's name should have been prominently associated with Lord Cowley...

Mr. Cobden had not nearly all his way into investments in American railways...

Mr. Cobden had not nearly all his way into the London papers; and also, when I did not choose to mention that he had been repudiated in comparative independence by a private subscription among his friends...

There was a very good debate on a useful discussion of the House of Commons on Mr. Wainwright's motion...

Mr. Wainwright's committee will be able to annul the expenditure of the past year, and put it in form, to be digested and used in the vacation for comparison in the following session...

Mr. Robeck has not yet spoken in this session of Parliament. At Sheffield the other day he said a good thing in answer to a very common fallacy...

OUTLINES OF THE WEEK.

The political harrower does not stop to fair weather. In some quarters it is said the ministry will not last long. In the city there is a general feeling of uneasiness...

The question in London seems to be assuming great importance. Managers of theatres complain of the quantity and quality of the gas supplied...

The French treaty is now discussed with great anxiety by the newspapers of Germany. Doubtless owing to the completion of the treaty of commerce...

Mr. Wilson's motion will be to join the Vienna Convention. The Government has been invited by the Government of France to sign the Convention...
