

Order from the King, under the State seal. No date

To—The Special Slave, worthy of favour and kindness,
Rajah Nahar Singh Bahadur.¹

Know ! That we have heard that you have appointed a Police Officer, of your own, to Bhadrapur; one, however, by name Nazir-ud-din Khnn, already stands appointed by the Government, and he is now present in Arab Serai. You, our slave, will therefore, according to the dictates of your own devotion, dismiss the man you have nominated.
