Vis-

— Have the honor to acknowledge the receipt of your docket No. 547 dated 14th August last regarding the claim of Muzza Eshbir & Subst of Rupees 40000 for marble belonging to a monument

A 181/2

In reply I beg to state that Captain Marmarsh late Executive Engineer of Delhi soon after his arrival here observed the monument in question partly injured and to prevent further damage by gradual removal he had all the pieces of marble taken down and put away in a safe place under charge of Sergeant Hayes the present Barrack Master.

A 181/3

All the marble that had been removed by order of Captain Marmarsh has been restored to the Muzza. —

A 181/4

The damage previously done seems to be trifling the deficiency in the whole monument being only a few screens and some slabs
