

a perpetual grant for which I had also applied
to your predecessor Major Broom who had the pleasure
of reporting the case to Govt. in Decr 1861 - a reply to
which has not yet been received I suppose a long time
has elapsed to it which compelled me now to trouble
at your valuable hours soliciting you may have the good-
ness to forward a reminder or a second report on the sub-
ject to Govt. with a view to enable me to acquire the
possession in perpetuity of the following Jagars i.e
allowance of 5,000 Rs. per annum from the proceeds of
Mooga Aoudah in the Rohiluck district Mooga Agh
war poor, Shunopore and Milk Gharonda in the Delhi
District, Mooga Kanuck poor and Bagh Banul-ur-
Fookul-afza in the Meerut district. - On recurring the
sanction of the Govt. in perpetuity through your
honour's kind assistance & beneficence it will remove
very anxieties & reflections under which I am at present
pressing for the future maintenance & support of my
children, for the just and generous Govt. has so liberally
allowed the system of adoption among local native
chiefs who were strictly prohibited for the same before
in consequence I have no doubt that this my humble

request may be complied with in recognition of
my admitted services during the mutiny for on
the same plea my pension has been already
sanctioned by Govt as hereditary.

With respect

I remain

Honored Sir
