

Lahore

November 10<sup>th</sup> 1862

My Lord,

I have the honor to inform  
 your Excellency that <sup>the</sup> Ferroz Shah,  
 whose movements, since he came to Poonia,  
 have been from time to time reported to  
 this Mission to Her Majesty's Government,  
 has lately arrived from Aboetabad at  
 a Shrine four miles from this City and  
 that he is at present residing in that  
 place - His object is to obtain

His Excellency

Muney

The Right Honourable

The Earl of Ely and Kincardine, K.T. G.C.B.

to do so

2  
Money from the Shah, but as yet he  
has not succeeded in procuring a  
promise of 300 Romans, and he has  
been endeavoring to get this sum increased.

He has contracted debt at Astrabad  
of the amount of about £700 and doubtless  
will, unless the Shah supplies him with  
a larger sum, have to borrow money  
in this city for his current expenses.

I have the honor to be

My Sir,

Yours Excellency's

Most Obedient

Amal Khan
