Petition of ~~Thomas~~ Margate - No date.
O The King Shirts of the world! May his prosperity
continue!

Your excelled Majesty. Keep your mind free from
every fear on account of the enemy. Your slave
has for two days been personally staying in the
batteries with the troops - and where the batteries
of the Infidels were there they are still. They have
made no advance. If their batteries had ad-
vanced very considerably they must have come
into the City. The whole army is prepared to
slay all the Infidels; and an attack is about being
made immediately. Through your Majesty's pro-
sige the capture of the batteries will be speedily
effected. And whereas some Negroes come into
your Majesty's presence, they report what they
have heard and not what they have seen. May
your Majesty do not believe their representation
but be fully assured that so long as there is
life in the frames of your slaves no harm will
reach your Majesty. When your slaves' life shall
have been offered up the will of God whatever it
may ^{be} must be done. Your slave is not neglectful.
Let it be known to your Majesty that he remains
personally in the batteries. Petition of the Slave Thomas
Autograph order of the King in peace.
The plot has been ascertained. Hadis but he is also
with ^{you} whatever is proper. No date.
